

# LR Friberg

Music Producer, Mastering Engineer

## Curriculum Vitae

May 2024

## Formal Education

Music Theory  
Sound Synthesis

Linnaeus University  
Blekinge Institute of Technology

## Work

2019-2021 **Nova Beat Estate / LCD Soundhouse**

2013-2019 **Hiatus**

While taking a break to care for my late life partner J.D. Wolbers in Sweden, I managed to perform a live set at Noden in Stockholm in 2017. Additionally, in 2016, I worked as a screenwriter for a film directed by Alicja Slawinska.

2006-2012 **Nova Beat Estate / LCD Soundhouse**

I ran the record label Nova Beat Estate with Alex Rahner, releasing 17 albums by diverse artists. We organized three open-air music festivals called Dust Horizon in eastern Cyprus from 2008 to 2010. During the years 2008 to 2012, I provided audio mixing and mastering services under the name LCD Soundhouse. Additionally, from 2009 to 2013, I offered freelance graphic design services. I also produced one album, two EPs, and a demo under the name Dawnbreaker; co-produced four albums with the psytrance band RAINE and eight albums with the avantgarde band Tuatha. And, between 2009 and 2013, I worked with Canadian author Mel Higgins under the name Dream Aid, creating poetry and short stories that blended elements of fantasy, sci-fi, and horror. For more information, you can find additional details in the audiobook Reclaiming The Truth.
